Chairperson Mrs Debbie Marshall

It is that time of year again when the kids seem to be off school forever and we are having to keep the children entertained, the nice weather will help. Some of us will be going on holiday.

CANadda's web site gets updated regularly as we are growing all the time. To get up to date information and regular news you can sign up to our Twitter or read our blog.

We have got lots coming up over the next few months for you and the family. We hope you will help support CANadda. I have listed all the dates for your diary below. There is plenty of choice and something for you all. Please come along and help support CANadda or CANadda and Kids Strut. Your help is much appreciated.

If you are unable to attend any of the events you can support us through Easyfundraising, this is simple to do. Every time you buy through Easyfundraising, CANadda will get commission. <http://canadda.org.uk/fundraising.php>. You can also help us by using the Easysearch search engine instead of Google. CANadda will earn 1/2p every time. <http://canadda.easysearch.org.uk/> how easy can it be?

Unfortunately we have no support meeting this month but hopefully you will be able to come along to the next one on the 19th of September where you will get the chance to hear what CANadda has been up to over the last year.

Famous Dyslexia Quotes

I was expelled because I was greasy and running around a lot. I was just a little too rambunctious and shot my mouth off once too often. I was not generally the most well-oiled machine in the school. I was just getting in their way, I guess.

Keanu Reeves—Actor

Being dyslexic, I had to train myself to focus my attention. I became very visual and learned how to create mental images in order to comprehend what I read.

Tom Cruise—Actor

Dyslexia is not due to lack of intelligence, it's a lack of access. It's like, if you're dyslexic, you have all the information you need, but find it harder to process.

Orlando Bloom—Actor
